**Intern program**

Tyler Broadcasting Corporation's intern program, which was started in 1993, consists of hiring high school and college students who are interested in broadcasting to assist station personal with their daily responsibilities. These interns have, and continue to assist Tyler Broadcasting Corporation staff in programming, engineering, promotion and sales.

Some specific intern duties include: assisting engineering with setting up remote broadcast, working with on-air staff to develop programs; assisting in the station's promotional campaigns; and assisting sales department with sales materials.

Since the programs inception, several full and part time employees have been hired after completion of their education.

**Co-Sponsor Job Fair**

In July 2004, Tyler Broadcasting Corporation sponsored a Job Fair at the Latino Community Development Agency. The event was open from 10am to 3pm, and attracted over three thousand people. **Listing of upper level jobs with groups whose membership includes substantial participation of women and minorities**

During the period covered by this report, full time job openings are advertised on our station websites, and in over the air advertisements on our stations. With the growth of KTUZ-FM Spanish radio and the addition of KTUZ-TV Spanish television in the fourth quarter of 2004, attracting applicants with bilingual skills (Spanish and English) was and remains a high priority. In an attempt to insure minority applicants are reached, job openings are advertised on KTUZ-FM, Tyler Broadcasting's 24 hour, Spanish language radio station. This advertising vehicle has proven effective, as virtually all employees requiring bilingual skills were the result of advertisements heard on our station.

In April 2005 Tyler Broadcasting Corporation sponsored a Job Fair at Oklahoma City Community College. The Event was from 10am to 3pm and attracted approximately two thousand people. Participants included Wal-Mart, McDonalds, United States Air Force, Navy and Army, various hotel chains, and retail stores.
